

QUALITY POLICY

Provix is committed to providing the highest quality products and services to its customers. We will achieve this by:

- Ensuring our customer's requirements are met or exceeded on a constant basis
- Providing an environment in which every employee is encouraged to help us to achieve our goal and objectives
- Providing our employees with the training they need to understand customer requirements
- Continually improving the quality of our products and services
- Defining, establishing and reviewing quality objectives

At Provix we review our quality policy for continuing suitability.
